A unique family of Web-based historical collections

The acclaimed *Archive of Americana*® enables students and scholars to explore virtually every aspect of United States history, culture and daily life across three centuries. Providing unprecedented online access to newspapers, books, broadsides, ephemera, government publications and more, the *Archive of Americana* puts tens of millions of pages of primary documents at researchers' fingertips. Allowing cross-collection searching, *Archive of Americana* collections offer fully searchable facsimile images, superior authority-based indexing, bibliographic records and PDFs that can be quickly downloaded and printed.

America's Historical Imprints

From the extensive holdings of the American Antiquarian Society and other institutions, these three collections—*American Broadsides and Ephemera*, *Early American Imprints: Series I: Evans* and *Series II: Shaw-Shoemaker*—illuminate U.S. history, literature and life through more than 100,000 American books, pamphlets, broadsides and pieces of ephemera printed between 1639 and 1900.

America's Historical Newspapers

With *America's Historical Newspapers*, Readex has created the single most comprehensive digital resource for searching and browsing historical American newspapers. Featuring *Early American Newspapers, Series 1-7, 1690-1922*; *20th-Century American Newspapers, Series 1-3*; and *American Ethnic Newspapers*, this continually expanding collection currently provides access to nearly 2,000 titles from all 50 states, offering an unparalleled record of the topics, people, issues and events that have shaped America for more than three centuries.

America's Historical Government Publications

Through partnerships with leading academic and government institutions, Readex has created definitive digital editions of U.S. Congressional publications from 1789 through the late 20th century. These collections include the *American State Papers, 1789-1838*; *House and Senate Journals, 1789-1980*; *Senate Executive Journals, 1789-1980* and the *U.S. Congressional Serial Set, 1817-1994*.

Thematic Collections

Focusing on historically significant eras, topics and events—beginning with *The Civil War: Antebellum Period to Reconstruction*—Readex's Thematic Collections provide newspapers, government publications, broadsides and ephemera together in a single, cross-searchable resource.
