Mission Beach, noon yesterday: 72 degrees.

The eastward movement of (H) and the westward retrogradation of (H) will tend to diminish the thunderstorms in the back country as well as the morning overcast today, because the moist air associated with the high (H) from the Gulf of Mexico is also diminishing over the desert areas.

Sale of Edsels To Start Sept. 4

DETROIT (Ford Motor Co.) Edsel line of cars, will be introduced in approximately 1,200 dealer showrooms across the country Sept. 4. The company, announcing this today, said more than 20,000 of the new medium-priced cars will be in dealer hands at that time. Production of the new car began in several weeks ago.

If we could stack 'em on end all our problems would be solved...

The J. R. TOWNSEND Co. MUST MAKE MORE ROOM! SO WE'RE LIQUIDATING ALL PACKARDS & STUDEBAKERS

... and any arrangement imaginable can be made for easy monthly payments because J. R. Townsend carries your contract themselves.

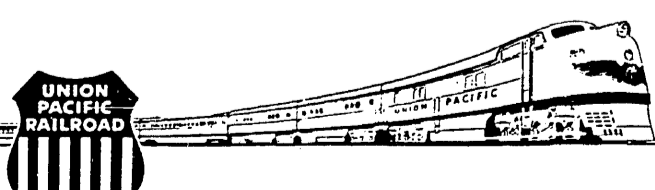

*This change will not affect our service on Studebaker and Packard cars. We will maintain our present Service Department personnel. All of these people have many years of experience and have been with us for 5 to 20 years or more. We will continue with the best of our ability to take care of your service needs on Studebaker and Packard cars with parts, equipment, and workmanship. We will also continue to honor all service and lubrication agreements on all Studebaker and Packard cars purchased from us.

NOW HEAR THIS The constant rush of work been ticking off its warnings? Feel as tense and tight as an over-wound watch spring? Desk drawer piled with pills to ease the strain? Take advantage of your trips East by relaxing on the *Domeliner* "City of Los Angeles." It's a refreshing break from tension, rush and routine. A wonderful way to catch up on your sleep in peaceful, quiet Pullmans; to leisurely enjoy the traditionally fine food in the famous Dome Diner. And it'll do your heart good to see how fast cares and tension fade away in the congenial atmosphere of either the Dome Lounge or the Redwood Lounge. And to disappear so magically it'd seem this Domeliner was specially designed for today's work-and-worry businessmen!

P.S. Good idea to give the Mrs. a break, too! With Union Pacific Family Fares she can accompany you, round trip, for just the one-way fare!
