

BROMO BELTZER FOR MOLINEUX

Sing Sing, N. Y., March 8. —Warden Johnson every day receives mail from all over the United States to be given to Roland B. Molineux, but the mail never reached Molineux, as it is against the law for a condemned man to have any communication while in solitary confinement with any person other than his immediate family and his attorneys. Yesterday's mail brought a small package, which, when opened, was found to contain a bottle of bromo seltzer. On the wrapper were the words, "Brace up, Roland." This didn't go further than Warden Johnson's waste basket. The postmark showed that it was mailed in Sing Sing.
