This story of the heroic conduct of fugitives of oppression, and of the devotion of their friends, will be read with deep interest.

HENRY WILSON,
Vice-President U. S.

Your work will be found to be one of absorbing interest, worthy of the wisest patronage, and historically valuable as pertaining to the tremendous struggle for the abolition of chattel slavery in our land. No phase of that struggle was so crowded with thrilling incidents, heroic adventures, and self-sacrificing efforts as the one you have undertaken to portray, and with which you were so closely connected, so wit: "The Underground Railroad."

WM LLOYD GARRISON.

The story of the escaped fugitives—the perils, the terrors of pursuit and recapture—the shrewdness which baffled the human blood-hounds—the untiring zeal and devotion of the friends of the slave in the free States, are well described.

The book is more interesting than any romance. It will be of permanent value to the historian of the country, during the anti-slavery struggle.

JOHN G. WHITTIER.

I cannot think of it without a throbbing heart. You do well to commemorate those associated with it by service or by benefit—the saviors and the saved.

CHARLES SUMNER.

Their efforts to baffle the human and other blood-hounds who tracked them, formed the romance of American history. That romance is now ended, and our grandchildren will hardly believe its leading incidents except on irresistible testimony. I rejoice that you are collecting and presenting that testimony, and heartily wish you a great success.

HORACE GREELEY.

Mr Still's work appears to me to be one of great interest.

HENRY C. CAREY.

No one probably has had equal opportunities with yourself of listening to the narrative of fugitive slaves. No one will repeat them more truthfully, and so stories can be more fraught with interest than theirs.

S. P. CHASE,
Chief Justice U. S. Supreme Court.

I commend it most cheerfully as a book that every citizen should have in his library.

COL J. W. FERNY.

The thrilling narratives cannot be read, even at this day, without exciting the deepest emotion.

GEORGE H. STUART.

Having read this record of "THE UNDERGROUND RAILROAD," I can only say that it is a work of extraordinary interest and of great value as an illustration of the terrible despotism, which a little while ago reigned over

us all.

WM H. FURNESS, D. D.

A book so unique in kind, so startling in interest, and so true-worthily in its statements, cannot fail to command a large reading now, and in generations yet to come. That you—my long tried friend and associate—are the author of this book, is to me a matter of great pride and delight.

J-M McKIM.

From the North American and U. S. Gazette.

Here is an authority that cannot be questioned, competent and correct by many endorsements.

From the Philadelphia Inquirer.

The labor of compiling could not have fallen into more appropriate or better qualified hands.

From the Baltimore American.

Mr Still was one of the most courageous managers on the Underground Railroad, and is therefore well qualified to be its historian.

From the Providence Press, Providence, R. I.

This large volume is full of facts. To read its pages is to bring the past up with vividness.

From the Morning Star, Dover, New Hampshire.

The work is intensely interesting. Many of the narratives thrill the reader through and through.

From the Christian Union, N. Y.

The narratives themselves, told with the simplicity and directness of obvious truth, are full of terror, of pathos, the shame of human baseness and the glory of human virtue.

From Zion's Herald, Boston.

It is our "Book of Martyrs," and William Still is our Fox the Chronicler. It is the "thousand witnesses" of Theodore Weld, enlarged and intensified. It is more than Uncle Tom, Wilson's "History of the Anti-slavery War," or the hundred histories of the war itself.

From the Lutheran Observer, Philadelphia.

That "truth is stranger than fiction" has hundreds of striking illustrations in this volume, which is a narrative of facts.

From the Friends' Review, Philadelphia.

The Underground Railroad should have a place in every comprehensive library, private or public.
