THOMAS EAKINS
DEAN OF ARTISTS

Lived Retired Life for Several Years Before His Death

Masterpiece "The Clinic of Dr. Samuel D. Gross" Hangs in Jefferson Hospital

Among the hoards of the town in the past few weeks, none has been so eagerly sought after as the "The Clinic of Dr. Samuel D. Gross." It is on view in the Jefferson Hospital, where it is attracting much attention. The painting is a realistic portrayal of the clinic, with figures of patients and doctors in the foreground. The colors are bright and the brushstrokes are bold, giving the painting a sense of movement and energy.

The painting was painted by Thomas Eakins, who was a prominent artist of his time. He is known for his realistic depictions of the human body, and this painting is no exception. The figures are portrayed with great detail and precision, and the painting is a testament to Eakins' skill as an artist.

Eakins lived a very interesting life. He was a multidisciplinary man, known for his work in medicine, physics, and art. He was a true Renaissance man, with a wide range of interests and talents. He is remembered as one of the greatest artists of his time, and his work continues to be celebrated today.

In conclusion, "The Clinic of Dr. Samuel D. Gross" is a masterpiece that is a testament to Eakins' skill as an artist. It is a painting that is sure to be admired for years to come.
