

Life in America collections offer a panoramic view of American history to interpret the story behind the formation of modern-day America. The enduring, ever-expanding collections support teaching, learning, and research across all academic disciplines.

Asian Life in America

The contributions and experiences of Asian Americans are integral to United States history. *Asian Life in America* is an enduring collection of primary source documents from and about Americans of Asian and Pacific Islander heritage.

Series 1: 1704-1941: Early 18th Century to U.S. Entry into World War II

Series 2: 1942-2017: World War II to the 21st Century

Series 3: 2018-Today: Asian Americans in the 21st Century. *Available by subscription from NewsBank.*

Black Life in America

Black Life in America offers an expansive window into African American history, culture, and daily life. A range of publications offer four centuries of first-hand reporting and critical perspectives on the Black American experience.

Series 1: 1704-1877: Arrival in America through Reconstruction

Series 2: 1878-1975: Jim Crow through the Civil Rights Movement

Series 3: 1976-Today: Black History Month to Today. *Available by subscription from NewsBank.*

Hispanic Life in America

Explore how people of Spanish-speaking heritage have shaped U.S. history, culture, and discourse from colonial times to today. *Hispanic Life in America* supports study and research with over 700 suggested searches by era, theme, and event.

Series 1: 1704-1942: Spanish Colonialism through World War II

Series 2: 1943-2009: Immigration, Labor Rights and Civil Rights

Series 3: 2010-Today: Hispanic Americans in the 21st Century. *Available by subscription from NewsBank.*

Immigrant Life in America

A powerful new way to explore one of the most enduring and complex themes in American and global studies. Drawing on millions of documents from more than 20,000 news sources, the collection traces how immigrants have been represented, debated, and understood across U.S. history.

Series 1: Earliest Coverage through Early 90s Policy Shifts

Series 2: Contemporary People and Events Shaping Immigrant Life

Series 3: 2022-Today: Available by subscription from NewsBank.

Indigenous Life in America

The story of America's Indigenous peoples is rich and varied, a complex tapestry that has shaped American society and the American identity. *Indigenous Life in America* offers unmatched coverage of the entire spectrum of the Native experience.

Series 1: 1690-1945: European Colonization through World War II

Series 2: 1946-2016: Indigenous Identity after World War II

Series 3: 2017-Today: Indigenous Americans in the 21st Century. Available as a subscription from NewsBank.

LGBTQ+ Life in America

LGBTQ+ people have a long tradition of making significant and enduring contributions to the history of the United States and to American identity. Yet prior to the 1970s, their presence was all but hidden, obscured by veiled language, media bias, or total omission—**until now**.

Series 1: 1705-1992: From Earliest Representations through the AIDS Crisis

Series 2: 1993-2021: “Don’t Ask, Don’t Tell” through the Transgender Rights Movement

Series 3: “Don’t Say Gay” to Today: LGBTQ+ Life and Identity in the 21st Century. Available as a subscription from NewsBank.

Recent Praise

“The collections provide an incredible depth and breadth of content from the eighteenth century to the present; the content drawn from within the communities represented is particularly strong.”

—Robert Flatley for *Katina* magazine e-review, April 2026
