

Notice.

THE subscribers have strong reasons to believe the following shares of the bank of the United States, have been lost, on their way from England; and give this public notice, that application will be made at the proper offices for a renewal of the same, viz.

2159 do.	16137 to 16141	5
<i>10 shares sent by the Pilgr, capt. Clermont, to Norfolk</i>		
Nos.	Nos.	Shares
1687, issued in lieu of	6718 to 6732	5
1137 do.	566 to 570	5
1711 do.	6266 to 6270	5
2740 do.	7663 to 7672	5

20 shares s.a. by the ship Friends, to Norfolk.

The whole issued on the 1st of July, 1794, to John Barker Church, and by him transferred to the subscribers, in the months of October and November. They were forwarded to us by Findlay, Bannatyne & Co. of London.

Both of the ships, it appears, from the public prints, have been carried into the West-Indies by the French and condemned, from which it is apprehended the papers are destroyed. Steps have been taken to prevent the improper transfer of the above shares.
